UNIQUELY COCO EXPERIENCES

The charm of Coco Bodu Hithi is obvious to any who visit but
our Uniquely Coco Experiences intensify its wonder.

SANDBANK ESCAPES

For the feeling of having left the world behind, our team can take you out to one of the nearby sandbanks for some quality time alone together. From the sand bank, snorkelling is perfect as is dozing under shade in the warm sun. Time has no meaning in such natural surroundings. Luxury comes in the form of a gourmet breakfast and lunch picnic for an incredibly romantic day, it's just you, the stars, the soft ocean breeze and a unique slice of island life.

$400 per couple
**Except Friday 10:00 - 14:00*
sandbanks are not guaranteed for exclusive use and are considered public domain

BE GUIDED BY THE MARINE BIOLOGIST

By taking a personal guided tour with a marine biologist, your explorations of the reef will be so much richer. Learn all about the different species that live in the waters around us, including the friendly, photogenic wild Hawksbill turtles that will swim alongside you. Turtle Point, Shark Point and, during the season, Manta Point are all part of the tour. Each gives you a fascinating insight into some of the sea's most ancient and mysterious creatures. On select days, join a group for coral garden snorkeling led by the marine biologist. Or, if you'd like an expert all to yourself, private sessions can be booked on request.

TAKE THE BIRD'S EYE VIEW

From above, the Maldivian islands appear as jewels adorning aquamarine silk. Most display a heart of lush green outlined by pure white sand outside which the pale greens of lagoons and reefs blend out into the Indian Ocean. Taking a private chartered seaplane tour from the resort around the islands and back again is nothing short of breath-taking. From this perspective, the geography and majesty of the Maldives are at their most luminous.
